COMPANY OVERVIEW

Lancaster Commercial Logistics LLC (LCL) is a Lancaster, Pennsylvania-based logistics provider focused on direct, time-sensitive transportation for commercial customers. LCL is building regional capacity for scheduled routes, expedited shipments, and dependable point-to-point delivery across Pennsylvania and the surrounding Mid-Atlantic region.

CORE SERVICES

- Expedited and time-sensitive point-to-point transportation
- Direct commercial courier and last-mile delivery
- Local and regional freight transportation
- Scheduled, recurring routes and dedicated delivery support
- Enclosed cargo-van transportation for suitable freight

SERVICE AREA

Pennsylvania, New Jersey, Maryland, Delaware, Virginia, and Washington, DC. Specific lanes and service commitments are confirmed based on shipment requirements, vehicle capacity, schedule, and applicable operating authority.

FLEET & EQUIPMENT

2025 Mercedes-Benz Sprinter 2500 High-Roof Cargo Van
Cargo-area measurements supplied by the company: 133.5 in. L × 70 in. W × 68 in. H; verify usable dimensions for the specific configuration. Shipment acceptance is subject to verified payload, axle/tire ratings, dimensions, and securement requirements.

GOVERNMENT CONTRACTING CLASSIFICATIONS

Primary	NAICS	Registered description
Yes	484110	General Freight Trucking, Local
Additional	484121	General Freight Trucking, Long-Distance, Truckload
Additional	484122	General Freight Trucking, Long-Distance, Less Than Truckload

CONTRACTING & SERVICE NOTES

LCL welcomes opportunities with government agencies, prime contractors, manufacturers, warehouses, and other commercial organizations. All work is subject to confirmation of shipment scope, vehicle capacity, operating authority, insurance limits and endorsements, site access, and contract-specific requirements. Specialized, temperature-controlled, or regulated medical/pharmaceutical services are not represented as currently validated offerings.
